SATISFACTION"

(SATISFACTION GUARANTEED ON USED CARS)

The Paige Company of Memphis, Inc., will guarantee every used Paige carthat we sell. We will assume responsibility for defective parts and give purchaser every assurance of satisfaction. This is something new in the automobile industry—a most radical change from the policy employed by all dealers in used cars.

Heretofore, the purchaser has assumed all risk. He has had to depend on his own judgment or "luck." He could never be sure he would not have a big repair bill tacked on the original purchase price. We are going to change this. We are going to assure you—to guarantee you will be satisfied. We believe this only fair—that the man who spends his money for a used car is entitled to the same attention and consideration that is given to the purchaser of a new car.
